For take out call **749-0529**.

In spite of the recent weather, we had a very busy month of July. Seafest was a huge success which ended with the Parade of Lights.

Any potential beer shortages this month will be short-lived. We did 2 brew cycles in July for a total of 4000 litres just to keep up with the demand from you, our loyal patrons. **Thank you!**

Growler sales are increasing and we are in the process of creating a retail outlet at the back of the restaurant for easy pick up of your growlers.

On **August 8th**, we will be in Halifax at the **3rd Annual Seaport Beer Festival**. With over **65 Breweries** offering samplings of over **140 different brews** it promises to be a very exciting day. If you are in Halifax be sure to attend.

This month we are featuring a deliciously tasting **blueberry martini** made with real blueberry syrup. It is sure to get your taste buds going! We will also continue to feature our ever so popular **fresh mojitos** made with fresh mint and freshly squeezed lime, for the month of August.

We are excited to announce that we have added **2 local wines** to our wine list that will be featured until the end of September: **L'Acadie Pinot Grigio**, a nice sweet tasting white wine with bouquets of florals and honey. The **Marechal Fosh** wine is a dry well balanced wine with a long lasting ripe berry flavour, great to drink during the summer months!

Both wines come from the Jost vineyards in Nova Scotia, making them popular for both locals and visitors alike.
